

Code of Conduct

We require all members and participants to behave in a way that supports Dogtivities Values.

Purpose

To set standards and expectations for members and participants regarding their responsibilities, how to act and what they can expect of their experience at Dogtivities.

Values

Acceptance of Diversity and Inclusion

All people and breeds of dogs are welcome, without discrimination. We will accept the differences and commend the benefits they bring.

Respect

All people and dogs are to be treated with due regard for their rights, feelings, beliefs and welfare.

Integrity

All people shall behave with honesty and authenticity, creating a genuine togetherness.

Cooperation

All people will aspire to the goal of working together, to the same end, a combined effort where fairness, support and assistance improve the ability and outcomes for all participants, including the dogs.

Professional Standards

All practitioners associated with Dogtivities will be qualified and registered with their affiliated governing body or organisation for the service they provide and shall observe legislative compliance.
